

SCAB

After God had finished the rattlesnake, the toad and the vampire, he had some awful substance left with which He made a SCAB. A SCAB is a two-legged animal with a cork-screw soul, a water-logged brain and a combination backbone made of jelly and glue. Where others have hearts he carries a tumor of rotten principles. A strikebreaker is a traitor to his God, his country, his family, and his class! — Jack London, 1904
